Situation

Nordfassade

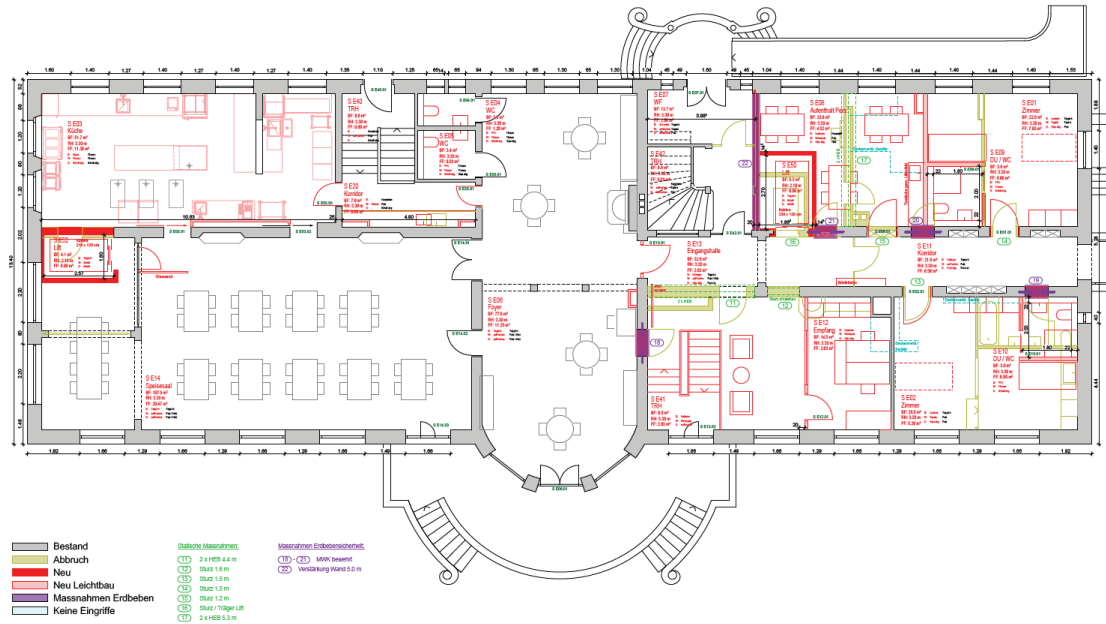

Südfassade

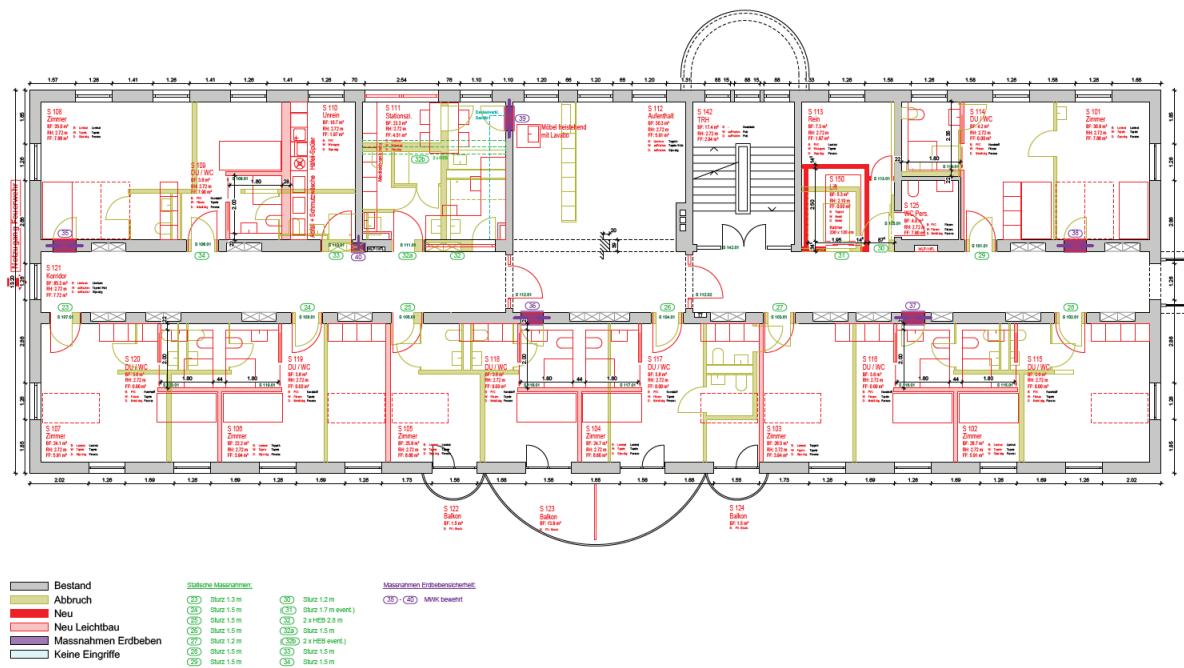

The image contains two architectural drawings of a building. The left drawing is a cross-section, revealing the internal structure. It shows a central chimney with a flue, a gabled roof with trusses, and three main floor levels. A red rectangle highlights a section of the roof. The right drawing is an elevation of the building's exterior. It features a symmetrical facade with a gabled roof, a central dormer window, and several rectangular and arched windows. The building is shown on a grey base representing the ground.
